

# Checklist: Diagnosed With A Serious Illness

## Getting Started

Whether it's for yourself or someone you love, use this checklist to help you get some important planning out of the way.

Here are the things we cover:

- Medical Decisions: Advance Directive, DNR, and POLST
- Location of Legal Documents & Official Identification
- Financial & Insurance Info
- Utilities & Digital Accounts
- General Funeral & Legacy Wishes

## ADVANCE DIRECTIVE

Your Advance Directive is comprised of two parts. Your **Living Will** outlines what kind of life-support treatment you *want* or *don't want* at the end of life; your **Health Care Proxy** will be the one to make medical decisions on your behalf should you no longer be able to make them on your own.

I have a completed my state's official Advance Directive form

## DO NOT RESUSCITATE (DNR) ORDER

A **DNR** order is separate from a Living Will -- even if your Living Will states that you do not want life-support treatments. If you'd like to create a DNR, you'll need to meet with your doctor to complete the forms.

## POLST (PHYSICIANS ORDERS FOR LIFE SUSTAINING TREATMENT)

This is a legal document for people with advanced progressive illnesses that specifies the type of care they would like in an emergency medical situation; it also goes by: MOST, MOLST, POST and TPOPP.
