

DO NOT RESUSCITATE

All first responders and emergency medical services personnel are authorized to comply with this out-of-hospital DNR order.

This request for no resuscitative attempts in the event of a cardiac and/or respiratory arrest for _____ has been ordered by the physician whose signature appears below.

This order is in compliance with the patient's/surrogate's wishes and it has been determined and documented by the physician below that resuscitation attempts for this patient would be medically inappropriate.

It is expected that this DNR order shall be honored by all Emergency Medical Services (EMS) personnel, First Responders, and other healthcare providers who may have contact with this patient during a medical emergency.

Patient/Surrogate Signature: _____ Date: _____

Patient Address: _____

The above named patient is under the care of:

Physician Name: _____

Physician Address: _____

Telephone Number: () _____ - _____

Medial Facility Affiliation: _____

Physician Signature: _____ Date: _____

This document should be prominently displayed and readily available to EMS personnel.

(see page 2 for instructions)

DO NOT RESUSCITATE

Instructions for first responders/EMS

All patients have the right to make healthcare decisions including the right to accept or refuse life-saving medical treatment.

1. Assess the patient for the absence of breathing and/or heartbeat
2. If the patient is not in cardiac and/or respiratory arrest, provide all necessary care, including transport if required
3. If the patient is in cardiac and/or respiratory arrest, do not initiate CPR and resuscitative efforts
4. Follow local EMS protocols for pronouncement
5. Document all pertinent information on our run sheet and attach a copy of this out-of-hospital DNR order
6. Only the individual(s) (patient, surrogate or physician) who signed this form may rescind it at any time
7. Photocopies of this document are permitted and shall be honored at all times
